S&M Partners is a platform created for the purpose to foster the interest of law students and strategies of our professionals will help them solve all Legal Issues. We aim to expand and serve the need of law students who are the very foundation of legal fraternity.

About Chambers of Nishant Anand

Mr. Nishant Anand is a practicing advocate in India since 2013 and Managing Partner of full-service law firm "Chambers of Nishant Anand" based at New Delhi, India and having associates in all important cities in India. He has wide experience in diverse fields of practice including arbitration, bankruptcy, family settlements, matrimonial laws, litigation and employment laws.

Mr. Anand is a regular practitioner before the Supreme Court of India, various High Courts and Tribunals across India and is associated with World Lung Foundation - South Asia (WLF-SA) in their research projects in India.

Mr. Anand is member of Supreme Court Bar Association, Delhi High Court Bar Association, Bar Association of India and Balkan-ji-Bari International.

Mr. Anand has also authored Book titled "Women in India: The Problem of Missing Girl Child" which was

published in the year 2016 by New Century Publications and is available both in India and the International markets.

He is regularly invited by the electronic media and other social platforms to give his inputs, representations and proposals on important legal and social issues.

He is also involved in Humanitarian and Pro Bono work, Education and Social Awareness, Poverty Alleviation Programmes, Promotion of Rights of Women & Children. During his leisure time he enjoys travelling, playing badminton, reading books & listening music.

About Family Law Course

This Course on family covers in-depth knowledge about the realm of family law which include contents of the religion-based laws and number of acts that are applied by the Courts in overseeing the family law matters.

S&M partners have made an attempt to make the subject interesting and the course is designed in such a way that it contemplates every detail and concept of family law to its crux. The concepts, definitions and explanations have been simplified to provide a better understanding of the topics by the speakers. The major objectives of providing this course is to give a better overstretch of the subject to every student in a systematic manner which will be helpful in competitive exams and Practical implementations.
